REACHING THE WORLD

Colossians 1:9-11 says, *"For this cause we also, since the day we heard it, do not cease to pray for you, and to desire that ye might be filled with the knowledge of his will in all his wisdom and spiritual understanding; that ye might walk worthy of the Lord unto all pleasing, being fruitful in every good work, and increasing in the knowledge of God; strengthened with all might, according to his glorious power, unto all patience and longsuffering with joyfulness."*

COVENANT FRIENDS MINISTRIES

NPAC

Network of Politically Active Christians (NPAC) is activating the unseen army of Black American Christians, calling them to join with Christians of other races to form a broad-based network to elect God-fearing people with integrity and core values based on the Bible.

KINGMAKERS

Kingmakers are the women that people remember. They're the women that people should listen to. They're the wives, mothers, teachers, and managers who helped others become what they are today. The Kingmakers women's movement has a growing network of chapters across the United States.

MEN OF WAR

People respect a man when they see that he has a father's heart and he puts them first. When a man learns to spend time with people and cares about them, he is a man after God's own heart. Whether he is a natural father or just a spiritual father, we are building men like Christ who will take responsibility not only for themselves but also for their generation.
